

RUN WITH RELIABILITY

MERITOR® RED DRUMS

Uncompromised strength and enhanced performance from the global braking leader

Introducing the Meritor Red Drum family built to suit steer, drive and trailer axles with a brake size of 16.5" x 5", 7", 8.62" (285mm PCD, 10 stud). Through innovative engineering and manufacturing with strength front of mind, performance of these new single-piece steel shell drums has been optimised; eliminating weld on balance weights and achieving a 20% weight reduction in comparison to standard cast drums.

UNLIMITED KM**

Red Drum Advantages

- Lightweight construction with 20% weight reduction compared to cast drums for increased payload capacity and improved fuel consumption
- Single piece steel shell, machine balanced with no weld seams and balance weights delivers superior concentricity and better road handling
- Meritor tested, validated and quality approved with 1 year unlimited kilometre warranty for added peace of mind

TESTED. PROVEN. TRUSTED.

The industry-leading performance you expect from Meritor® has been raised to another level. Lighter, tougher and with Meritor testing, approval and quality validation, setting new benchmarks to lead the innovation for drums.

FEATURES AND BENEFITS

FEATURES	BENEFITS
<ul style="list-style-type: none">One piece, roll formed shellMachine balanced	<ul style="list-style-type: none">Delivers superior concentricity and better balanceBest in its class appearance with no weld seams or balance weights
<ul style="list-style-type: none">Lightweight construction compared to standard cast drums	<ul style="list-style-type: none">Increases payload capacityImproves fuel economyReduces operational costs
<ul style="list-style-type: none">Available in popular wheel-end configurations and axle ratings	<ul style="list-style-type: none">Fits most vehicle specifications in your fleet
<ul style="list-style-type: none">12 month warranty, unlimited km	<ul style="list-style-type: none">Certainty for maintenance planning
